Hello to All the Children of the World

(CHORUS)

Hello, Bonjour, Buenos Dias,
G'day, Gutentag, Konichiwa,
Ciao, Shalom, Dobre Dem,
Hello to all the children of the world!

VERSE 1

We live in different places from all around the world.
We speak in many different ways.
Though some things might be different,
we're children just the same
and we all like to sing and play. (CHORUS)

VERSE 2

There are children in the desert, and children in the town's,
and children who live down by the sea.
If we could meet each other to run and sing and play,
then what good friends we all could be.(CHORUS)

This is My Country

This is my country!
Land of my birth. (Choice)
This is my country!
Grandest on Earth.(Hear my proud voice)
I pledge the my allegiance. America the bold, for this is my
country-
To have and to hold!

It's a Small World

VERSE 1

It's a world of laughter, a world of tears
It's a world of hope and a world of fears
There's so much that we share, that it's time we're aware
It's a small world after all

(CHORUS)

It's a small world after all, it's a small world after all
It's a small world after all, it's a small, small, small, small
world

VERSE 2

There is just one moon and one golden sun
And a smile means friendship to everyone
Though the mountains are high and the oceans are wide
It's a small world after all...(CHORUS)

Music of the World A-Turnin'

(CHORUS)

I hear the music of the world a-turnin'.
Can't you hear the sweet sounds of the world a-turnin'?
Stop, look and listen; you can hear things a-growin'.
You can have music wherever you go.

Verse 1

I hear the music of the world a-turnin'.
There are some folks laughin', there are, some folks cryin',
Kids playin' in the street sound sweeter than a choir.
All you gotta do is listen to hear. (CHORUS)

Verse 2

I hear the symphony of traffic in the city.
There are horns a blowin', there are heels a clickin',
Ash cans a rat-tlin' as the sun begins to rise.
All you gotta do is listen to hear. (CHORUS)

Verse 3

The wind writes a special song for
each and every day.
It's got the rain a dancin'
and the thunder a clappin'
Dont' just ignore it: there's a concert all around you.
All you gotta do is listen to hear. (CHORUS)

Georgia On My Mind

Georgia, Georgia--- The whole day through,
Just an old sweet song keeps Georgia on my mind

Georgia, Georgia---- A song of you,
Comes as sweet and clear as moonlight through the
pines....

Other arms reach out to me
Other eyes smile tenderly
Still in peaceful dreams I see
The road leads back to you

Georgia, Georgia
No peace I find--Just an old sweet song
Keeps Georgia on my mind

Yes Georgia on my mind---My Mind-----!

Star Spangled Banner

Oh, say can you see--By the dawns early light;
What so proudly we hailed--At the twilight's last gleaming?
Whose broad striped and bright stars--Through the
perilous fight;
O'er the ramparts we watched--Were so gallantly
streaming?
And the rocket's red glare--The bombs bursting in air!
Gave proof through the night--That our flag was still there!
Oh, say does that star spangled banner yet wave--
O'er the land of the free--
And the home of the brave----?

Together We Can Change the World

1, 2, 3, 4, 5, 6, 7, 8

I believe it's not too late
Together we can change the world.
Lay the puzzle pieces out
Find out what it's all about
Together we can change the world

(CHORUS)

Can't do it by myself
So I'm asking for your help
Together we can change the world
Sail past where it's been charted
Roll your sleeves up, let's get started
Together we can change the world
Together we can change the world

With our hands and with our hearts
We can dare to make a start
Together we can change the world
What if we spoke with one voice,
Knowing that we have a choice?
Together we can change the world
(CHORUS)

Change your mind and change your life
Set aside the fear and strife
Together we can change the world
When we open up our eyes
Then we start to realize
Together we can change the world
(CHORUS - 2 x's)

1, 2, 3, 4, 5, 6, 7, 8

I believe it's not too late
Together we can change the world

CULTIVONS LA PAIX

Pour cultiver la paix
On n'y arrive pas tout seul
On travaille en communautaire
On partage tous ensemble

Pour cultiver la paix
Il faut montrer l'amour
Et mettre a part nos differences
Aujourd'hui et pour toujours

Respecter toute la vie
Rejeter la violence
Liberer sa generosite
Reinventer la solidarite

Ecouter pour se comprendre
Preserver notre planete
Que les peuples du monde
Se mettent ensemble
Pour cultiver la paix
Cultiver la paix

A World of Difference

VERSE 1

It takes the sunshine and the rain to help a garden grow.
The sun and moon together work to make the ocean flow.
Our strength is in our differences, the gifts we have to
share,
and together we can build a better world for people
everywhere.

(CHORUS)

We're the colors of the rainbow; we're the stars up in the
sky.
No two of us are quite the same and here's the reason
why:
We all have a purpose and a special place to serve,
for it takes a world of differences to make a
difference in our world.

VERSE 2

Mountains need the valleys, the water needs the sand,
and we all need each other to lend a helping hand.
We must work together; we can't do it alone.
Yes, we all need each other to make this house a home.
(CHORUS)

Wavin' the Flag

OH----- (REPEAT)

Verse 1

Give me freedom, give me fire; Give me reason, Take me higher
See the champions, take the field now; Unify us, Make us feel proud
In the streets our - heads are lifted; as we lose our - inhibition
Celebration it's around us, every nation all around us...
Singing forever young, Singing songs underneath that sun
Let's rejoice in the beautiful game, And together at the end of the day we all say:

(CHORUS)

When I get older I will be stronger; They'll call me freedom, just like a wavin' ----
When I get older I will be stronger; They'll call me freedom, just like a wavin' flag
So wave your flag, and wave your flag, and wave your flag, oh---

OH----- (REPEAT)

Verse 2

Give you freedom, give you fire; Give you reason, Take you higher
See the champions, take the field now; Unify us, Make us feel proud
In the streets our - heads are lifted; as we lose our - inhibition
Celebration it's around us, every nation all around us...
Singing forever young, Singing songs underneath that sun
Let's rejoice in the beautiful game, And together at the end of the day we all say: (CHORUS)

Coda

So wave your flag, and wave your flag, oh---

OH----- (REPEAT) WE ALL SING

(CHORUS)

Heal the World

VERSE 1

There's a place in your heart
And I know that it is love
And this place could be much
Brighter than tomorrow
And if you really try
You'll find there's no need to cry
In this place you'll feel
There's no hurt or sorrow
There are ways to get there
If you care enough for the living
Make a little space
Make a better place

(CHORUS)

Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make it a better place
For you and for me

VERSE 2

We could fly so high
Let our spirits never die
In my heart I feel you are all my brothers
Create a world with no fear
Together we cry happy tears
See the nations turn their swords into plowshares
We could really get there
If you cared enough for the living
Make a little space
To make a better place

(CHORUS)
